

NAME: \_\_\_\_\_

SESSION # \_\_\_\_\_

**2010 ACTIVITY SIGN-UP SHEET**

Please choose your top 17 activities from the list on the following pages, and list them below in order of priority (**with 1 being the activity you want the most**). You'll be scheduled for up to 10 of these activities. We'll try to give you your top 10, but please understand there are sometimes scheduling conflicts.

The following activities are scheduled as a **double period**, and they count as 2 activities:

- Advanced Stained Glass; Acting 2; Musical Theater

**Please see activity descriptions on the page after the complete activity list.**

**4-Week Campers:** Please fill out 2 Activity Sheets: one for each session. We can make some adjustments for Session 2 once you're at camp (during Session 1) if needed.

*If you have any questions about this form, please feel free to call us! (561) 865-4330*

**PLEASE LIST level & years of experience for any dance class and for guitar.**

**SPECIALTY WEEK:**  
***Get fully immersed as you explore a new passion!***

Please give us your top 4 choices from the activities listed below. You will get to take 2 activities, spending 2 ½ hours every morning in one, and 2 ½ hours each afternoon in the other. Afterwards, there will be time for active electives, which you'll choose daily during that week. See full activity descriptions on attached pages.

4. \_\_\_\_\_

**Visual Arts:**

- Glass Exploration: Explore how to use both hot glass and cold glass . Create a glass kaleidoscope, also experiment with hot glass as you fuse and slump original pieces.
- Sculpture: Learn how express your ideas in stone as you explore the basics of stone carving.
- Plein Air Painting: Discover how to paint the beautiful scenery of Unity Maine with oils.
- Metal Jewelry: Discover the possibilities of metal clay as you create original pieces. You will also learn other fabrication techniques as you create original jewelry pieces.
- Pottery: Come learn the art of Raku as you improve your skills on the potters wheel.
- Mural Painting: Get involved in creating a lasting mark at Unity College by creating a mural and learning the skills to do so.

**Dance**

- Lyrical Jazz
- Modern Choreography

**Photography**

Black & White Darkroom: Learn camera controls, make images, get introduced to the dark room and learn about the chemistry to process film.

**Videography**

Hollywood comes to Maine! *Script, shoot, edit, produce.*

Create a story from the beginning with your own script, work through pre-production, and learn how to express yourself through the lens.

**Culinary Arts**

- Cooking: Explore a variety of cooking techniques and learn to make delicious meals. Learn to present food that is as visually appealing as it is delicious!
- Baking: Learn how to make a variety of delicious baked goods ranging from breads to cookies, cakes and more!
